Watco Paint Mixer

Quickly and thoroughly mixes two-part and single-part Watco paints

Instructions for use

1. Snap off the arm and slide into the slot
2. Snap off the two extensions and screw onto the arm
3. Snap off the handle and screw onto an extension
4. Insert in the can and move up and down for 1-2 minutes or until the components are thoroughly mixed
5. Leave in the can while painting - remix anytime
6. Unscrew the handle to replace the lid
7. Remove and clean when the job is finished

NOTE: For two part paints, ensure there is no unmixed material on the inside of the tins
